RE: MUR 4934

Dear Mr. Acevedo Vila:

This is in reference to the complaint you filed with the Federal Election Commission on October 12, 1999, concerning the activities of Resident Commissioner Carlos Romero-Barcelo, among others. As you were notified upon our receipt of the complaint, the complaint was designated Matter Under Review ("MUR") 4934.

After considering the allegations in the complaint, the Commission on September 22, 2000, found that there was no reason to believe that Angel Morey had violated any provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). On the same date, the Commission also decided to take no action with respect to all other respondents in this matter, and accordingly closed its file. A copy of the First General Counsel's Report is enclosed for your file.

This matter will become part of the public record within 30 days. The Federal Election Campaign Act of 1971, as amended, allows a complainant to seek judicial review of the Commission's dismissal of this action. See 2 U.S.C. § 437g(a)(8).

If you have any questions, please contact April J. Sands, the attorney assigned to this matter at (202) 694-1650.

Sincerely,

A handwritten signature in black ink, appearing to read "April J. Sands". The signature is fluid and cursive, with the first name "April" and last name "Sands" clearly distinguishable.
